Becker Bros. Fruit Farm.

[From the Harper's Ferry Sentinel.] On last Saturday we visited the tree fruit farm of the Becker Bros. uated on the foot-hills of the Blue Ridge mountain, one mile from Millville, on the Valley branch of the B. & O. Railroad, and four miles from Harper's Ferry. We were surprised to see the large number of men at work, the number being sixty-five, and all at work made a nice showing, they were engaged in digging holes and planting grape vines. Mr. Becker informed us that he intended planting this season 30,000 rooted vines and 40,000 cuttings, all for wine purposes, the variety being Cynthian and Virginia Seedling, these added to the 50,000 already planted, of which 30,000 are keep of the seedling these added to the 50,000 already planted, of which 30,000 are keep that when the seedling the seedling these added to the 50,000 are keep that when the seedling the seedlin which 30,000 are bearing-vines, will make one of the largest vineyards this side of the Rocky mountains. The Messrs, Becker expect to extend their vineyart to 500 or 1000 acres in the next few years. The vines average 1760 plants to the acre, which will stock the 500 acres with 890,000 vines, which will make in the neighborhood of 450,000 to 500,000 gallons of wine per year. The soil of this farm has been analyzed at the West Virginia Experimental Station and it is pronounced to be equal to the soil of the finest grape raising sections of France. No better soil, it is said, for raising grapes, can be found on this side of the Continent. We were told by Mr. Becker that there would be a fair crop of peaches this year in his peach orchards of which he has quite a number, some varieties will be a full crop and others only a half

You can use all the tobacco you want, while taking Baco-Curo, it will notify you when to stop. We give a written guarantee to permantly cure any case with three boxes, or refund the money with 10 per cent. interest. Dear Sirs.—I have been a tobacco fiend for many years, and during the past two
years have smoked fifteen to twenty cigars regularly every day. My whole nervous
system became affected, until my physician teld me I must give up the use of tobacco
for the time being, at least. 1 tried the so-called "Keeley Cure," "No-To-Bac," and
"Baco-Curo." Three weeks ago to-day I commenced using your preparation, and
to-day I consider myself completely cured; I am in perfect health, and the horrible
craving for tobacco, which every inveterate smoker fully appreciates, has completely
left mc. I consider your "Baco-Curo" simply wonderful, and can fully recommend it.
Yours very truly, C. W. HORNICK.

June 12, 1894-1y. ORDER YOUR WINES AND BRANDIES DIRECT FROM THE PRODUCER.

The Blue Ridge Fruit and Wine Company. MILLVILLE, WEST VIRGINIA. BECKER BROS. PROPRIETORS.

Charles Becker, Office 419 E. Lombard St. Louis Becker. Baltimore, Md. Charles Becker, Office 419 E. Lombard St., Louis Becker. Baltimore, Md.

The Wines and Brandles for which we solicit your orders are of our own production, and superior to any native Wines and Brandles offered. The land of the Blue Ridge Fruit and Wines Company embraces the foot hills of the Blue Ridge Mountains, on the east bank of the Shenandoah River in Jefferson County, W. Va. This district is known to contain the same soil, has a similar climate and location as the well-known Charente and Champagne districts of France; (their soil is of a broken, chalky formation, containing a large percentage of Oxide of Iron that imparts to their Wines and Brandles the peculiarity that has given them a world-wide reputation.) So far nowhere in the world has a similar location been discovered until the locating of the Blue Ridge Fruit and Wine Company in West Virginia. The Blue Mountain Peaches to-day stand pre-eminent; also the Grapes; and in offering our Wines and Brandles we do not claim them as Imported, but of our own production from the newly discovered Fruit Belt, and worthy of a fair comparison with the finest Imported goods.

Special attention is called to our Cognac and Brandy as being absolutely pure.

The Peach Cognac is made of the pure julce of mountain peaches (no seed or pomace 1 used), and is distilled for medicinal use.

Peach Brandy is made of Peach pomace all seeds are taken out before distilling.

The Grape Cognac is made of choice white wine, and is distilled for medicinal use.

Grape Brandy is made of Peach pomace and Serge Brandy is made of Peach pomace of Cognac (1 bottle each), at \$8.00 per case qts.

Fackages charged extra: Gallon 50; 5 Gallon Kegs \$1.00: 10 Gallon Kegs \$1.25.

Barrels and Half Barrels free.
